# Flock Rams for Sale - \$800

Our 19<sup>th</sup> Annual Sale recently took place and was a really successful day. A summary of the sale follows:

- 9 stud rams sold to a top of \$5,600 and averaged \$2,044
- 103 flock rams sold to a top of \$2,100 and averaged \$960

We have around 50 flock rams left for sale which are certainly worth a look – well muscled frames, good LAMBPLAN figures and ready to work. We are offering these rams at \$800 on a “first in, best dressed” basis. Details of the rams can be found below. For further enquiries or to arrange inspection please contact Brian or Troy.
