1	180080	WARB 160048	AI	0.58	13.1	21.1	-0.5	2.1	-7	158	163	238
A real standout—carcase, structure and amazing growth. Our highest ranking 2018 drop ram on TCP, C+.												
2	180081	WARB-160048	AI	0.48	11.8	18.9	-0.7	2.9	-9	161	156	229
Maternal brother to 170526 (Keeper). Very similar to last years lot 1 (170297, \$11,000)—long, great carcase, great numbers.												
3	180097	ASH-160433	ET	0.39	12.5	20.5	-0.1	3.0	-20	162	155	236
ET ram out of our top ewe 150434. Exceptional LAMBPLAN performance.												
4	180096	WARB-160048	ET	0.46	12.2	19.2	-0.6	2.4	9	156	148	226
Long ram with great breed type out of a BD2261 ET daughter.												
5	180006	FARRER-150096	JIVET	0.43	12.1	18.2	-0.8	2.3	-29	152	148	221
Terrific commercial attributes— excellent performance figs, great carcase, good structure.												
6	180002	FARRER-150096	JIVET	0.38	11.0	17.5	-0.4	2.1	-38	149	149	213
Beautiful type, carcase and structure. Used as a ram lamb, 70 lambs on the ground. Best ram from JIVET. Reluctant sale.												
7	180102	ASH-160433	NAT	0.41	10.9	16.8	-0.7	2.3	-18	146	139	213
Terrific type, structure, long, well muscled ram out of top Wheetelande ewe.												
8	180305	FARRER-150096	JIVET	0.52	12.9	19.8	-1.0	2.1	-38	145	150	228
First ever frozen JIVET Embryo to be born as a live lamb. The best carcase ram in the stud team.												
9	180120	ASH-160433	ET	0.19	9.3	15.7	0.3	3.7	-7	149	142	218
Fantastic muscling, structure and breed type. ET ram out of \$1,600 Wheetelande ewe.												
10	180031	WARB 160048	AI	0.36	11.5	18.7	-0.4	2.5	8	155	150	222
Solid all rounder—terrific structure, type, length and performance.												
11	180275	ANDEN-140025	NAT	0.28	11.2	17.9	-0.6	2.2	-28	145	143	216
This is the ram for lambing ease. Perfect for ewe lambs—smooth shoulders, low birth weight, grow like steam.												
12	180451	ASH-160433	NAT	0.32	11.6	18.7	-0.2	3.5	-12	157	151	234
Late July drop—great balance of numbers, terrific shape.
